

APPENDIX 4

WRITTEN SUBMISSIONS – WILL BE PROVIDED IF LODGED

My name is Rachel Lindsay. I live at [REDACTED]
[REDACTED] I have been a member of staff at Drumtochy Castle since 2nd August 2004. I am Operations Manager. Since I have worked at Drumtochy castle there has always been a pool table in the games room. Everyone has had access to the pool table, including children. It is free to use and is not coin operated. In the nearly 20 years that I have been working in the Castle there have been absolutely no problems associated with people using the table. To my knowledge there have never been any fights or arguments at all. I have no concerns whatsoever about children continuing to be able to play on the table if they wish to do so.
