**REPORT TO LICENSING BOARD – 24<sup>th</sup> April 2024**

**LICENSING (SCOTLAND) ACT 2005**

**APPLICATIONS FOR PREMISES/PROVISIONAL PREMISES LICENCES**

**NON-CONTENTIOUS APPLICATIONS**

## **1 Executive Summary/Recommendations**

1.1. This report relates to applications for the grant of premises/provisional premises licences which can only be determined by the Licensing Board.

### **Recommendations**

1.2. **It is recommended that the Board considers the materials before them and, in respect of each application in turn, –**

- (a) **Determines whether there is enough evidence before the Board to allow a determination to be made, or whether the Board needs to defer consideration of the matter to the next available Board meeting for further material to be made available; and**
- (b) **Where the Board has concluded that there is sufficient evidence before them to allow a determination to be made, to consider in respect of each of the applications made, whether said applications should be granted or refused.**

## **2 Purpose and Decision-Making Route**

2.1 The applications referred to in **Appendix 1** to this Report have not been previously considered by the Board.

2.2 The Depute Clerk has determined that the applications listed in **Appendix 1** are non-contentious applications and asks that the Board consider the same.

## **3 Discussion**

### **Consultations**

3.1 The Depute Clerk examined the applications in detail and the Applicant then addressed any issues requiring to be addressed. Thereafter, the Depute Clerk

forwarded the applications to the following persons or bodies as part of the consultation process:

- a) Police Scotland;
- b) Scottish Fire and Rescue Service;
- c) The Environmental Health, Planning and Building Standards Services of Aberdeenshire Council;
- d) The Licensing Standards Officer;
- e) The appropriate Community Council;
- f) Public Health; and
- g) Neighbouring Occupiers.

3.2 At the same time as the applications were consulted on, the applicants required to display a site notice at the premises, in a location where it could be easily read by members of the public, advertising the fact that an application had been made. The Licensing Standards Officers checked to ensure the site notices had been appropriately displayed, and had been displayed for the correct time period, as part of their consultation exercise for each premises.

3.3 The applications were also advertised on the Council's website.

### **Objections and Representations**

3.4 In relation to each of the applications to be considered by the Board –

- (a) there are no valid objections to the application;
- (b) the size and capacity of the premises, the general nature of the premises, and any entertainment to be provided on the premises are to be substantially the same as at the date of the application; and
- (c) the hours sought in the Operating Plan are within the Licensing Board's general policy on Licensing Hours as set out in its Statement of Licensing Policy.

3.5 In some cases, the Licensing Standards Officers, Police Scotland and Building Standards Officers made representations. These were copied to the applicants who have made the appropriate amendments to their applications in order to satisfy the representations made.

- 3.6 If granted, certain mandatory conditions listed in the Licensing (Scotland) Act 2005 will attach to premises licences. The conditions attaching will depend on the activities listed in the operating plans of the premises.
- 3.7 The Board indicated in its Policy Statement that local conditions would apply to premises licences in certain circumstances. The Depute Clerk has listed the relevant conditions it is recommended that the Board apply to the licence in the table in **Appendix 1**. The Applicant has agreed to the proposed conditions in each case. **Appendix 2** contains the list of available local conditions, as set out in the Board's Policy Statement.
- 3.8 Any applicant who has taken issue with the representations made in respect of their application will have their application considered at a full hearing of the Board, which will be the subject of a separate report.
- 3.9 In line with the decision taken by the Board at their meeting on 12<sup>th</sup> August 2020, the applicants have not been asked to attend the Board.
- 3.10 If the Board does not consider that this is a sufficient hearing to consider the application, then consideration of the application should be deferred to a future Board Meeting to allow for further information to be provided and/or to allow the applicant to be cited to attend.

### **Implications**

- 3.11 If the Board determines that a licence should be granted, it will take effect from the date of grant and can be traded, where the application is for a full premises licence. Where a provisional premises licence is granted, the licence must be confirmed prior to the licence being able to be traded.

### **Procedure**

- 3.12 Each application should be considered on its own merits.
- 3.12 Members' options in disposing of the applications are: -
- (a) To grant the application;
  - (b) Refuse the application;
  - (c) Grant subject to varied hours and/or additional conditions; or

(d) Determine that further evidence is required in which case the application should be referred to the next available Board Meeting in order that the applicant may present their case in full or further information can be obtained in the interim.

3.13 When coming to a decision the Board must consider the evidence provided and the contents of this report. Supplementary advice and information can be made available by Officers, if required.

3.14 The legal test is attached as **Appendix 3** to this report.

#### **4 Priorities, Implications and Risk**

4.2 The applications are within the terms of the Board's policy.

4.3 The table below shows whether risks and implications apply if the recommendations are agreed:

- 4.4. There are no staffing and financial implications.
- 4.5. The Council's Corporate and Directorate Risk Registers do not apply to the Licensing Board as it is a separate legal entity.
