

REPORT TO BUCHAN AREA COMMITTEE 23RD APRIL 2024

DRAFT ABERDEENSHIRE COMMUNITY RESILIENCE FRAMEWORK

1 Executive Summary/Recommendations

1.1 Following the Winter Storms of 2021/22 and other emergency responses which have followed, the resulting debriefing exercises recommended that Aberdeenshire Council develop a Community Resilience Strategy that sets out the need for individual, household, family, and community resilience, and what can be expected of the Council, Communities and other Emergency Responders. A draft Aberdeenshire Community Resilience Framework has been developed to provide this clarity. It is this draft Framework which is before Committee today for consideration and comment.

1.2 The Committee is recommended to:

1.2.1 Consider, discuss and provide comments on the draft Aberdeenshire Community Resilience Framework at Appendix 1 to the Communities Committee.

2 Decision Making Route

2.1 Following the winter storms of 21/22 a key recommendation which came out of the debrief and Community Engagement Report was as follows:
'It is recommended that Aberdeenshire Council develop a Community Resilience Strategy that sets out the need for individual, household, family, and community resilience, what can be expected of the Council and Communities'.

2.2 The proposal for the development of a Community Resilience Framework went to Full Council on 29th September 2022 and was accepted. The draft Aberdeenshire Community Resilience Framework is the resulting document.

2.3 The draft Aberdeenshire Council Resilience Framework is the product of extensive engagement with community resilience groups in Aberdeenshire, input from a cross-service working group that encompassed representatives from emergency responders, feedback from the Community Resilience Conference which took place on 2nd October 2023 and best practice identified elsewhere.

2.4 The draft Framework went to Communities Committee on [8th February 2024](#) where it was agreed that the document could go forward to Area Committees for consultation, along with consultation with Community Councils led by Area Teams.
