

APPENDIX C

Grading of Recommendations

Risk Level	Definition
Strategic	This issue / risk level impacts the Board as a whole. Mitigating actions should be taken at the Senior Leadership level.
Directorate	This issue / risk level has implications at the directorate level and the potential to impact across a range of services. They could be mitigated through the redeployment of resources or a change of policy within a given directorate.
Service	This issue / risk level impacts at the Business Plan level (i.e. individual services or departments as a whole). Mitigating actions should be implemented by the responsible Head of Service.
Programme and Project	This issue / risk level impacts the programme or project that has been reviewed. Mitigating actions should be taken at the level of the programme or project concerned.

Net Risk Rating	Description	Assurance Assessment
Minor	A sound system of governance, risk management and control exists, with internal controls operating effectively and being consistently applied to support the achievement of objectives in the area audited.	Substantial
Moderate	There is a generally sound system of governance, risk management and control in place. Some issues, non-compliance or scope for improvement were identified, which may put at risk the achievement of objectives in the area audited.	Reasonable
Major	Significant gaps, weaknesses or non-compliance were identified. Improvement is required to the system of governance, risk management and control to effectively manage risks to the achievement of objectives in the area audited.	Limited
Severe	Immediate action is required to address fundamental gaps, weaknesses or non-compliance identified. The system of governance, risk management and control is inadequate to effectively manage risks to the achievement of objectives in the area audited.	Minimal

Individual Issue / Risk Rating	Definitions
Minor	Although the element of internal control is satisfactory there is scope for improvement. Addressing this issue is considered desirable and should result in enhanced control or better value for money. Action should be taken within a 12 month period.
Moderate	An element of control is missing or only partial in nature. The existence of the weakness identified has an impact on the audited area's adequacy and effectiveness. Action should be taken within a six month period.
Major	The absence of, or failure to comply with, an appropriate internal control, which could result in, for example, a material financial loss. Action should be taken within three months.
Severe	This is an issue / risk that could significantly affect the achievement of one or many of the Council's objectives or could impact the effectiveness or efficiency of the Council's activities or processes. Action is considered imperative to ensure that the Council is not exposed to severe risks and should be taken immediately.
